LETTER OF REFERENCE

TO WHOM IT MAY CONCERN

RE: CT HYDRAULICS

This letter serves to confirm that CLT has had a very good and upfront business relationship with CT Hydraulics for well over 15 years. The business relationship and account has always been in a healthy status.

We found CT Hydraulics to be credible and continuously go out of their way to try and assist with all our requests and keeps lead times to a minimum.

All our departments are visited by a representative from CT Hydraulics on a regular basis to ensure smooth communication and that all jobs are on track.

We would definitely recommend dealing with CT Hydraulics.

Should you require any additional information or assistance, please do not hesitate to contact the writer hereof.

Yours faithfully,

WARREN WELLS
