To Whom it may concern:

This letter serves to confirm that **CT Hydraulics** – Namibia have engaged with DNV Business Assurance South Africa to be audited against the ISO 9001:2015 and ISO 45001:2018 standards under the following Scope of services:

Manufacture, repair and recondition of all hydraulic components, equipment and machines operating with hydraulic and all related matters.

The Audit process will commence early in 2025. Based on the client's experience we foresee few issues with the process and based on a successful audit the client will be recommended for the relevant ISO certification.

We trust you find this in order

Sincerely,
