

J. H. FLETCHER & CO. BOX 2187 HUNTINGTON, WV 25722-2187—(304)525-7811—FAX (304)525-3770

20 January 2023

CT Hydraulics,  
3 Melville Road,  
Germiston 1497,  
South Africa

To whom it may concern,

J. H. Fletcher & Co. confirms that CT Hydraulics has been contracted as a J.H. Fletcher & Co. OEM authorized hydraulic cylinder supplier / repairer on all Fletcher mining equipment in the Sub-Saharan Africa region.

This includes representing us in the following manner:

- Manufacture and sell new hydraulic cylinders used on Fletcher products.
- Remanufacture or repair all hydraulic cylinders used on Fletcher products.
- Technical expertise to assist and resolve hydraulic cylinder related issues.
- Warrantee claims and service support.

Fletcher has utmost confidence in CT Hydraulics' ability to serve and support our customers. If you have any questions, contact your Fletcher area sales manager, or speak to your local service representative from CT Hydraulics.

Kind Regards,

Gregory E. Hinshaw, C.E.O.  
J.H. Fletcher & Co.
